### **District Reporting Pilot Program**

- Grade 1-7 classes (15 divisions) will be involved in the district Reporting Pilot Project.
- Information on reporting and the report form presented in a Power Point presentation.
- Report Cards will be going home on varying days in the last two weeks of January –
   your classroom teacher will let you know the day that they will be distributed.
- Report cards are going home sealed for the privacy of your and other children. Please keep the report cards sealed until you are off of the school grounds. Sharing and comparing of private report card information in the hallways and on the school grounds has not been found to have a positive effect on children's self-esteem. We will be speaking to the older students at the school regarding this as well.
- Many competencies will be less academic, more social, more application of skills.
- 2 report cards in total. June report will include list of communications between teacher & parent for the year.
