

CARNARVON PAC CLOTHING DRIVE FUNDRAISER - JANUARY 20th 2020

HOW DONATING TO BIG BROTHERS HELPS KIDS

1. YOU DONATE CLOTHES TO BIG BROTHERS

We facilitate free home pick-ups to residents of the Lower Mainland

2. WE SELL YOUR ITEMS TO VALUE VILLAGE

Our long-term partnership with Value Village pays Big Brothers a fair amount per pound of clothing and textiles

3. BIG BROTHERS USES THE MONEY TO FUND PROGRAMS FOR LOCAL CHILDREN AND YOUTH

Funds are used to recruit, screen, and train volunteers; also to develop our programs to meet changing community needs

CARNARVON PARENTS: Help us help the earth & other families by bringing one or more garbage bags of clothing and a box of household items to Carnarvon on Thursday January the 20th at 9am at the black top on Balaclava side of the School North of the main entrance for the following benefits:

- Reduce energy and raw material consumption. It can take up to 700 gallons of water to make 1 new cotton t-shirt and up to 1,800 gallons of water to make 1 new pair of jeans. By donating your clothes to Big Brothers, you are helping to reduce the number of resources that are used to create clothing and giving the garment a new life.
- Keep material out of landfills
- Conserve natural resources
- The profit of your donation helps match children with mentors
- Provide affordable clothing locally via Value Village stores
- It is a convenient way for your family to get rid of gently used items. 1 in 3 people who do not donate used goods says that it's just easier to throw things out. With our easy online and phone booking systems as well as our collection of local donation bins, it's easier than ever to donate your used goods.
